

Yoshi the Sailor

Photographed by
Cassie L. Hambleton

What's a sailor to do today?

Feed a cat to the dogs?

But that
never ends
well...

Really... I
was just
standing
here being
angelic.

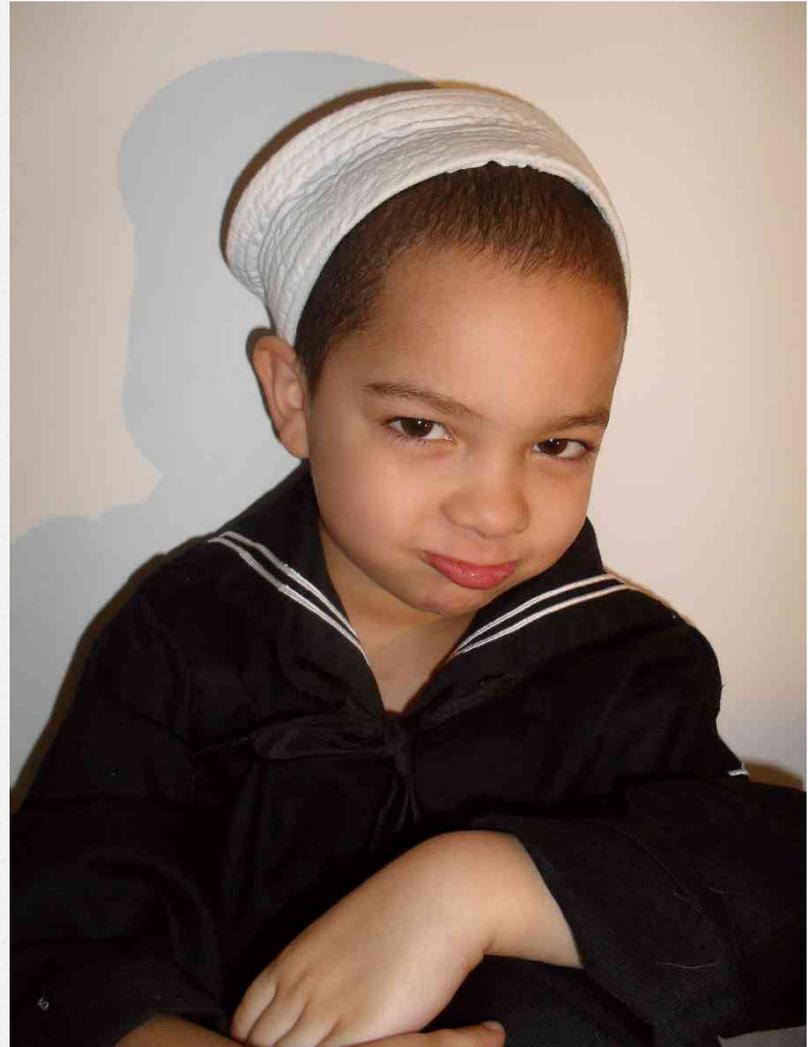

Before I get
to the party
part!

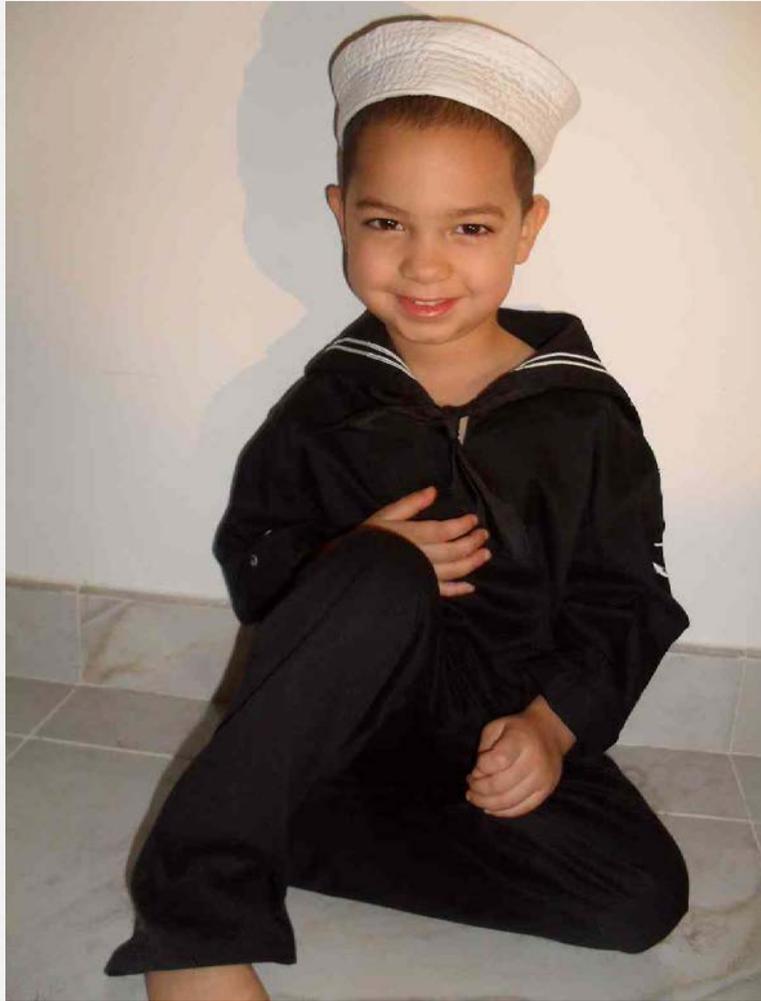

Is this tie
strai...
Wait... How
good lookin'
AM I when I
sssmoulder!

Or there is
this, the
pout that
slays 'em!

Sometimes I
just crack
myself up
'til I fall
down.

Oh, yeah. I
got an
anchor like
Popeye.
Wanna see it
bounce when
I fire the
guns?!

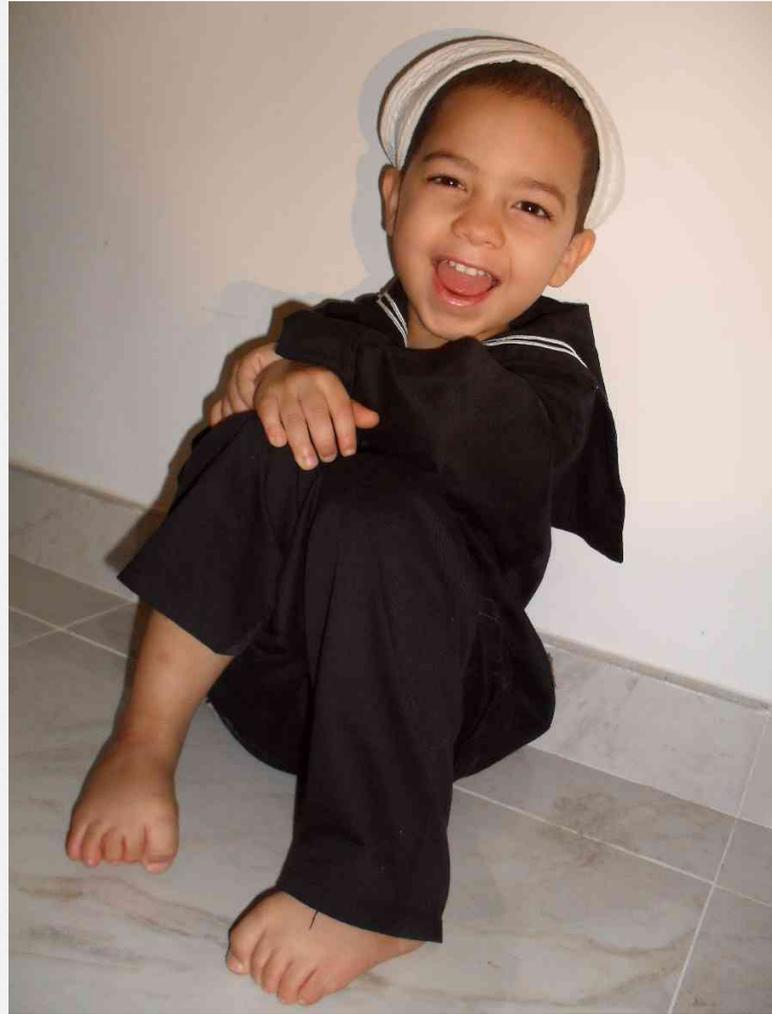

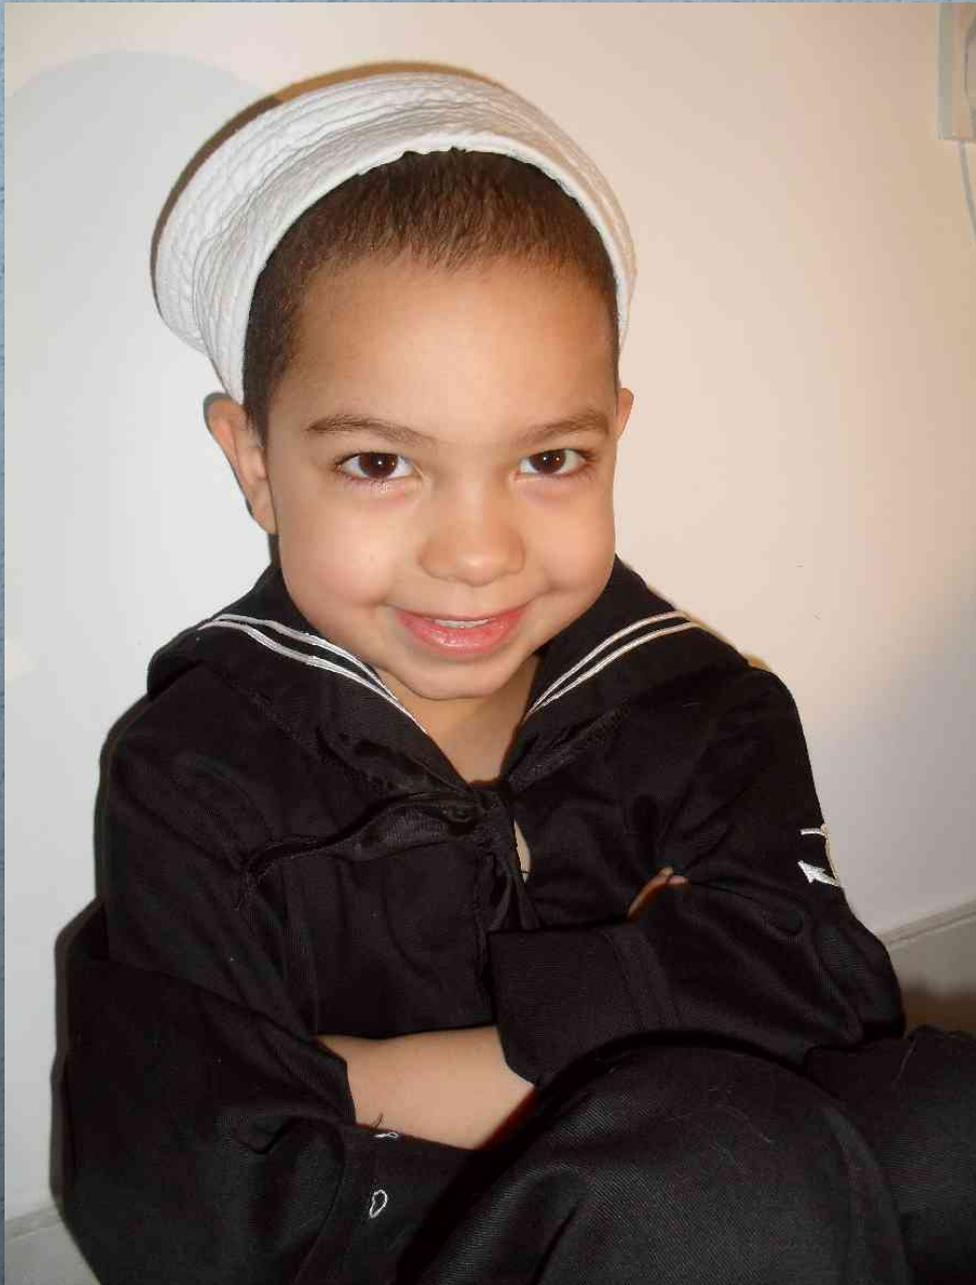

But seriously... seriously.
Am I... growing a great mustache,
or what?

When I'm seven, and all grown up, its going to be huge!

I make
myself laugh
until my
toes curl!

All this fun,
and I
haven't even
gone
anywhere...

How cool is
it being me?!

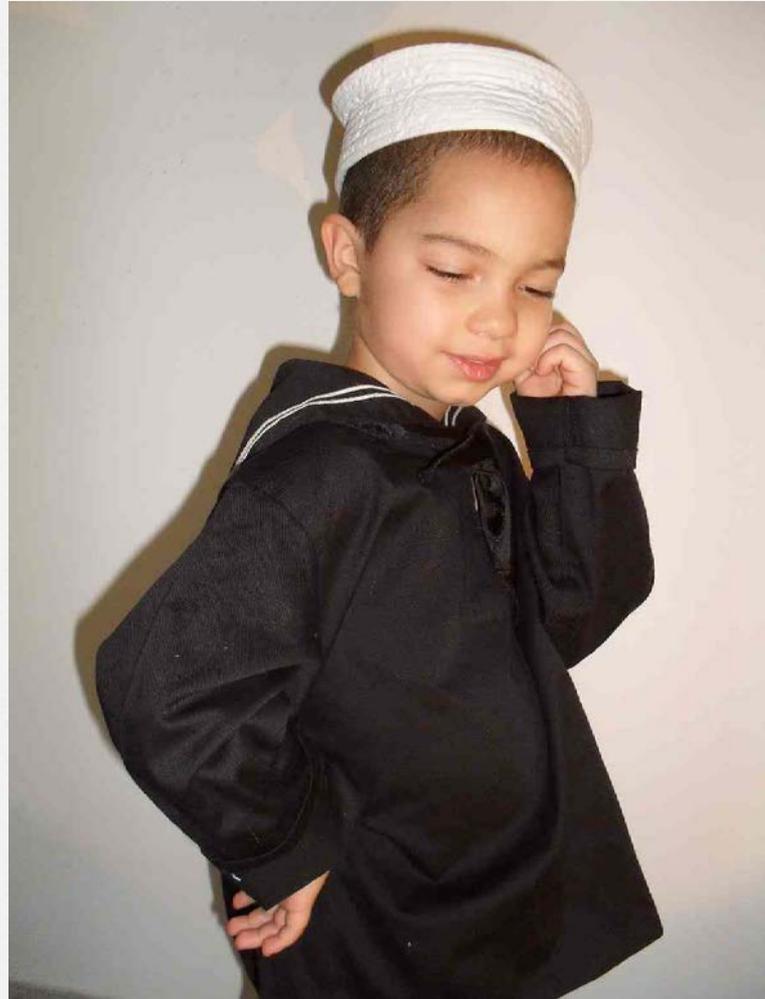

What is a sailor to do?

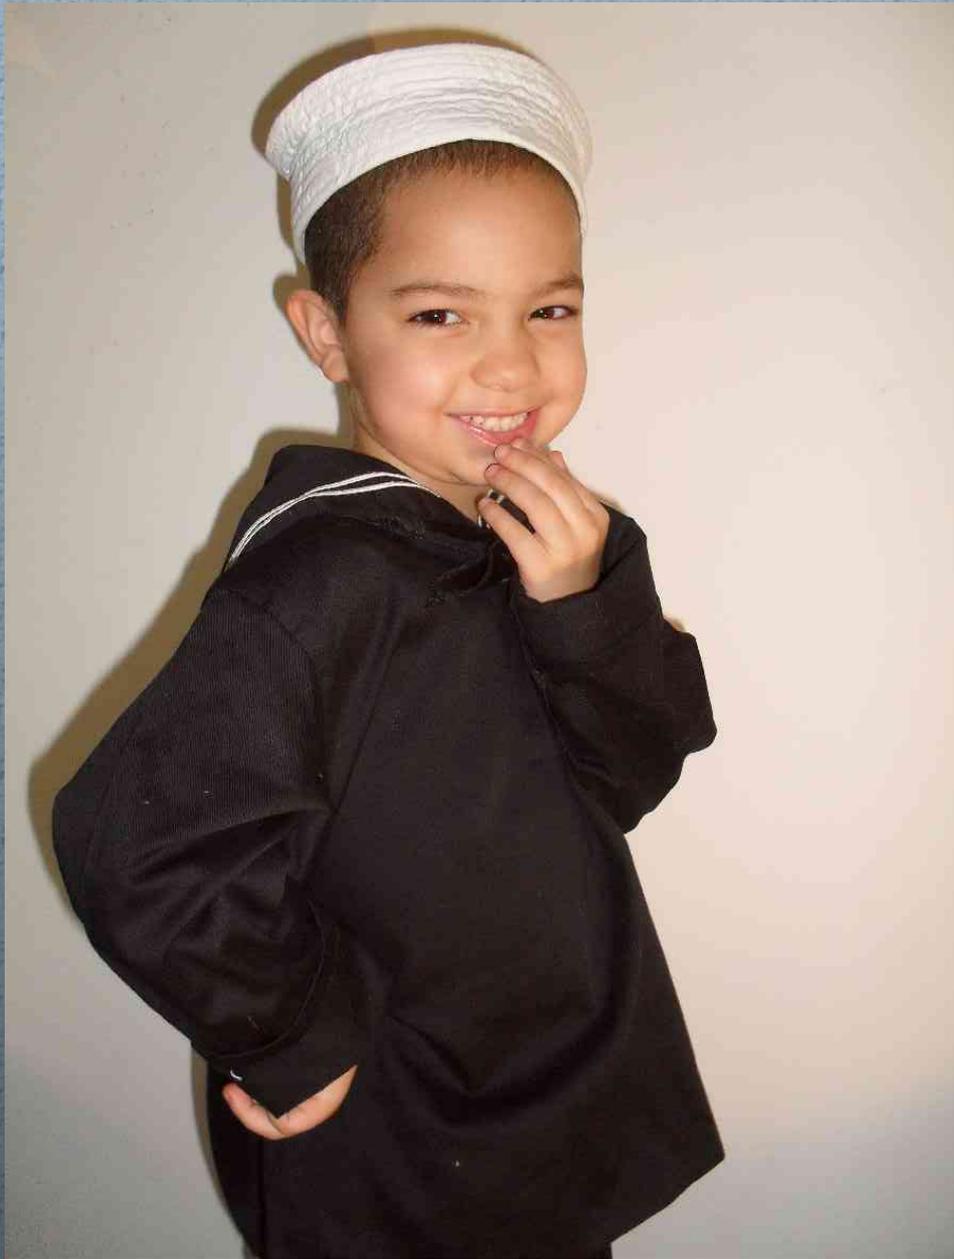

Well, my adoring public
awaits...

Should I go
entertain
them, or
make 'em
wait?

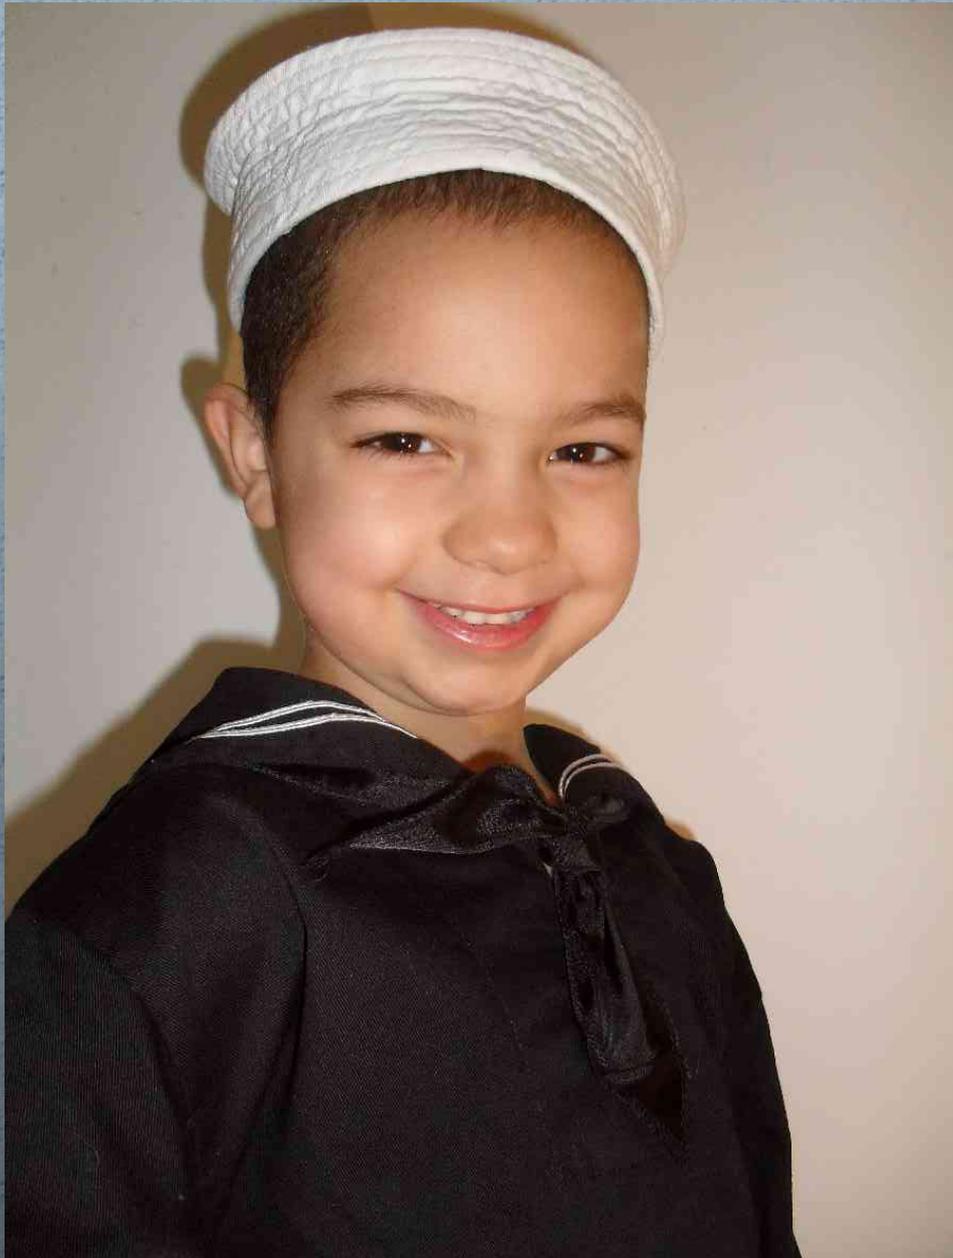

Kinda cruel,
aren't I –
but in a nice
way. Right?!

Decisions,
decisions...

I think I'll
just have to
go be
adored.

Ciao!
